## HEALING

I proclaim healing for my body, right now in the name of Jesus. Jesus already paid the price for my healing, so I declare that by the stripes of Jesus I have been healed. The Word of God is medicine to my flesh, and it is living, powerful, active, operative, energizing, and effective. Therefore, the life-giving, disease-destroying power of the Word of God is working in my body now. Because I have been redeemed from the curse of the law, my body is free from all sickness and disease. Life and death is in the power of my tongue, so I command every symptom of sickness, pain, and discomfort to leave my body now. I speak boldly to every function of my body, and I command you to work perfectly, the way you were designed under The Blessing. My body is healed, healthy, whole, and free.

Father I thank You that Jesus Himself bore my sicknesses and carried my diseases; therefore, I refuse to allow sickness and disease to exist in my body. Thank You for sending Your Word and healing me. I receive healing as a benefit of my salvation, and I choose to live life in abundance, to the full, until it overflows. I'm not moved by how I feel, how I look, or any negative report. I'm moved only by the Word of God, and I choose to speak not based on how I feel, but based on what Your Word says. I believe I receive when I pray, so thank You, Lord, that I AM HEALED!
